

A MEDICINE SCHOLARSHIP GRANTED TO THE TOP STUDENT OF THE 2021 SCIENCE BACCALAUREATE IN GABON

For the first edition of the national contest for the highest-ranking students organised on 7th September 2021 in Libreville, Bolloré Transport & Logistics Gabon granted a scholarship to Kamil Alix Maël Bignoumba Boukinda, top student of the 2021 science baccalaureate in Gabon.

The Bolloré Transport & Logistics Gabon scholarship will enable the grant recipient, who has graduated from general baccalaureate studies with a major in science, to follow their entire university curriculum at the Faculty of Medicine & Midwifery in Lille, France.

In the framework of its B'Excellence programme, Bolloré Transport & Logistics Gabon partnered with this national contest organised by the Ministry of Higher Education, Scientific Research, Technology Transfer, National Education, in charge of Civic Training, whose ceremony was presided over by the President of Gabon.

"Through this initiative, Bolloré Transport & Logistics illustrates its commitment to empowering Gabonese youth - in keeping with its sponsorship policy - and to supporting students throughout their studies. We are fully aware of the important role education plays in training tomorrow's talent", explains Serge Agnero, Managing Director at Bolloré Transport & Logistics Gabon.

Bolloré Transport & Logistics' B'Excellence programme aims to celebrate the academic and professional excellence of youth. Among other things, it distinguishes and rewards the best students, grants scholarships and offers internships within the company.
