

## **A NEW MANAGING DIRECTOR FOR BOLLORÉ LOGISTICS ARGENTINA AND URUGUAY**

Charles Lams is appointed Managing Director for Argentina & Uruguay. He will be responsible for leading the company's strategy in the two countries and adapting its services to the needs of the local market. He will be based in Buenos Aires, Argentina reporting to Hector Midolo, CEO Latin America.

Charles holds a master's degree from IESEG School of Management in Lille, France. He first joined Bolloré Logistics in 2014 and has worked as Finance Manager in Argentina, Chile and then Uruguay. In 2016, Charles moved to Mexico as Head of Finance, IT and Legal for Mexico and Colombia

*"We are delighted to appoint Charles to this position. His strong knowledge and experience across the Latin America region in management, operations and finance, will be vital as we continue our ambitious plans to grow. These, combined with his team leadership and proven ability in leading new initiatives and projects, will permit to develop innovative solutions for our clients in Argentina and Uruguay,"* said Hector Midolo, CEO of Bolloré Logistics Latin America.

*"I am proud to lead a strong team of people in Argentina and Uruguay,"* said Charles Lams. *"I am very excited to get started with our ambitious plans to expand our offer and supply chain solutions to clients by continually looking for new opportunities to meet their needs."*

### **About Bolloré Logistics**

About Bolloré Logistics Bolloré Logistics is a major international supply chain operator and ranks among the world's top ten transport and logistics groups with an integrated network of 603 agencies in 111 countries. Placing customers at the heart of its strategy, Bolloré Logistics is committed to designing innovative, robust and agile solutions. Through the reliable management of the entire supply chain, the company has developed a high level of resilience, enabling it to control risks by securing transport plans through alternative options and to lead a continuous improvement policy over the long term while acting as an ethical and responsible player.

Bolloré Logistics Argentina is established in the country since 2001 and has a presence of 3 offices in Buenos Aires, Mendoza and Mar del Plata with 40 employees. The company offers complete end to end supply chain solutions including air & ocean freight, project cargo, with strong value-added skills in specific vertical markets such as energy and flavors & fragrances. Bolloré Logistics Uruguay was established in 2003 and handles many shipments in transit to Argentina with solid a recognized know-how in cosmetics and duty free.
