

LOIG PAVARD APPOINTED MANAGING DIRECTOR OF BOLLORÉ LOGISTICS SINGAPORE

Bolloré Logistics announces that Loig Pavard has been appointed as the Managing Director of Bolloré Logistics Singapore. Reporting directly to Cyril Dumon, Managing Director of Bolloré Logistics Asia-Pacific, Loig will be in charge of further developing the company's business in the country and sustaining its growth on the market.

Loig Pavard boasts more than 22 years of experience in the supply chain and logistics industry. Throughout his career at Bolloré Logistics, he held several finance positions in Europe and Asia before becoming Regional Managing Director for Southern Europe and then CEO for the French Overseas regions.

"I am delighted to bring Loig on board with the Asia Pacific team as Managing Director of Bolloré Logistics Singapore. I am confident that under his leadership, Bolloré Logistics will continue to flourish and will strengthen its position as a top logistics player," stated Cyril Dumon.

Loig Pavard will support the company's development by leveraging new technologies to anticipate customer needs and achieve operational excellence. He also intends to focus on talent management and the promotion of sustainable solutions in line with the company's commitment to reduce scope 3 CO₂ emissions by 30% by 2030 (baseline 2019).

"I am extremely proud to join the Singapore teams, and I'm excited to pursue together the company's development by working on new projects in the years to come," tells us Loig Pavard.

About Bolloré Logistics

Bolloré Logistics is a major international supply chain operator and ranks among the world's top ten transport and logistics groups with an integrated network of 603 agencies in 111 countries. Placing customers at the heart of its strategy, Bolloré Logistics is committed to designing innovative, robust and agile solutions. Through the reliable management of the entire supply chain, the company has developed a high level of resilience, enabling it to control risks by securing transport plans through alternative options and to lead a continuous improvement policy over the long term while acting as an ethical and responsible player.

For over 30 years now, Bolloré Logistics Singapore has specialised in supplying tailored solutions for the Cosmetics & Luxury, Health, Oil & Gas and Aeronautics industries. In 2012, the company inaugurated the Green Hub, its first sustainable logistics platform of 42,000 m² situated in Pioneer Turn. That was followed in 2019 by the Blue Hub, its next-generation hub of 50,000 m² designed to serve the perfumes and cosmetics sector.
