

BOLLORE TRANSPORT & LOGISTICS TO PARTICIPATE IN THE BREAKBULK EUROPE EXHIBITION 2019

Bolloré Transport & Logistics will participate in the next Breakbulk Europe exhibition taking place from 21 to 23 May in Bremen, in Germany. After more than ten years of participation, Bolloré Logistics and Bolloré Ports will come to present their expertise in their respective businesses and assert their desire to extend the Group's effort to develop commercial and operational synergies.

Indeed, within the Project organization, Bolloré Logistics continues to reinforce synergies between its regional project divisions in Europe, Asia, The America's and Africa. The Breakbulk Europe exhibition is a great opportunity for regional entities to provide its clients the most dedicated Industrial Projects solutions.

"Today, Bolloré Logistics has dedicated industrial project branches in the majority of key countries. 2018 saw more investment in specialized personnel, for example within our Engineering and Solutions department and we continue to invest in people with strong industry expertise and Project Logistics skills who can add value to our organization.", said Philippe Lejeune, Industrial Projects Europe Director.

Bolloré Logistics proposes tailor-made solutions in a variety of sectors such as oil and gas, petrochemical and chemical, mining, renewable energy, construction and equipment and in various other industries. Its unique operational solutions meet stringent specifications requested by the major global players and the success of each project is supported, among others, by this network of experts in Europe as well as all over the Bolloré Logistics network in the world.

Bolloré Ports will be present, primarily through its Afritramp brand. With extensive experience in the shipping sector, Bolloré Ports operates 21 container terminals worldwide alongside a network of 100 shipping agencies in Africa, Europe and the Asia-Pacific region, managing over 8,700 calls/year.

Over the years, Bolloré Ports has developed unique expertise. Today, it delivers made-to-measure services of the highest quality for all its customers: shipping lines, ship owners, tramp operators, industrial groups or traders.

"Bolloré Ports has an exceptionally strong international network. We are present all over the world and particularly in Africa, implementing our expertise and demonstrating our agility and commitment in order to satisfy customers and achieve operational excellence," said Sébastien Beuque, Shipping Director, Bolloré Ports.
