

## **BOLLORE TRANSPORT & LOGISTICS AT THE 2019 TRANSPORT LOGISTIC EXHIBITION**

Bolloré Transport & Logistics is attending this year's Transport Logistic exhibition, held in Munich from 4 to 7 June. The company will be presenting its latest solutions and showcasing its unique know-how and experience in its main expertise areas, which it harnesses to meet the requirements of its customers and business partners.

Present in Germany for 35 years, Bolloré Transport & Logistics has built up substantial experience in the country across all key sectors, including health and aeronautics. The company's goal today is to take on new logistics challenges around the world, and particularly in Africa, where it operates the continent's leading integrated logistics network.

*"Bolloré Transport & Logistics is rolling out its development strategy worldwide but also at local level. With the strength of our network, covering 107 countries, we are committed to supporting our customers all over the world for all their logistical needs and respond to their innovation strategy,"* said Eric Peigné, CEO Bolloré Logistics Central Europe.

Bolloré Transport & Logistics will be organising four conferences on Wednesday 5 June as of 9.45 am (Conference Hall A42 in Hall A4). Each one will focus on a specific topic: health and pharma, innovation, rail freight, and expertise in Africa.

### **Bolloré Transport & Logistics conference programme 5 June 2019**

#### **LCL sea pharma to Asia – 9.45 am**

Bolloré Logistics will present a solution designed in collaboration with a major pharma group and based on sea freight: the cross-dock hub in Singapore.

#### **The digital transition becomes a reality in supply chain management – 11 am**

Ibecor Heineken and Bolloré Logistics will present their co-developed innovative digitalised solution based on the use of new data network structures.

#### **Rail freight and the new silk road – 1.30 pm**

Accompanied by a leading Eurasian rail logistics operator, Bolloré Logistics will be presenting the most innovative solutions in today's most dynamic transport mode.

#### **Opening the doors of tomorrow's Africa – 3 pm**

The aim of the panel discussion is to share knowledge on current and future business opportunities, as well as difficulties, constraints, and the keys to success in African markets.
