

BOLLORE TRANSPORT & LOGISTICS UGANDA AWARDED AT THE "PRESIDENTIAL EXPORTS AWARD"

Bolloré Transport & Logistics Uganda won the "Gold" award at the annual Presidential Exports Award ceremony held on March 2020 at the Protea Skyz Hotel in Uganda. This award recognizes the outstanding performance of the Bolloré Transport & Logistics' subsidiary in the "Logistics Services" category.

The awards, which have been organised by the Uganda Export Promotions Board for the last 25 years, seek to recognise and honour the contributions made by the export community towards national development. More than 3,000 companies operating in Uganda were vetted for the awards by a panel that included players of the public and private sectors.

Bolloré Transport & Logistics Uganda contributes actively to the development of Uganda. The company offers a unique, tailor-made solution for export commodities, which includes specialised warehousing and value-adding services such as bulking, in addition to multimodal transport services. The Company also facilitates exports within the region through their integrated logistics offering and works with clients of several sectors such as industry, retail, oil and gas, telecommunications and health.

In November 2019, Bolloré Transport & Logistics Uganda has been rewarded with the "Consumer's Choice Platinum Award" in the "Best Freight Transport and Logistics Handling Company" category for the second consecutive year. The distinction recognises the operational excellence of service companies in Uganda on the basis of a consumer survey administered by Consumer Guide magazine.

"We are honoured to have received these accolades from the Presidential Exports Award and the Consumer's Choice Award. It attests to our expertise and determination to bring our customers the best service and solutions so as to address supply chain challenges." said Oliver Wells, Managing Director of Bolloré Logistics Uganda.

About Bolloré Transport & Logistics Uganda

Bolloré Transport & Logistics Uganda operates in the transport and logistics industry and employs a workforce of 250 Ugandans at its offices in Kampala, Entebbe, Malaba, Busia, Ntoroko, Mpondwe, Katuna and Mutukula.
